Choose the operation to be performed:

Addition Subtraction Multiply Divide

The screenshot displays the Eclipse IDE interface. The main window shows a web browser at the URL `http://localhost:8082/com.OnlineCalci/add.html`. The browser content features a purple gradient background with a central white rounded rectangle containing the text "Addition". Below this title are two input fields: "Enter 1st Number:" with the value "2" and "Enter 2nd Number:" with the value "2". A "Calculate" button is positioned below the second input field. The left sidebar shows the project explorer for "com.OnlineCalci", listing files such as `add.html`, `add.css`, `mul.html`, and `sub.html`.

The Addition of 2 and 2 is 4
